Mr. Devin M. Wells
State of Tennessee
Division of Water Pollution Control
Office of General Counsel
Department of Environment and Conservation
20th Floor, L & C Tower, 401 Church Street
Nashville, TN 37243-1548

***Subject: Commissioner's Order, Case No OGC07-0266
In the Matter of:
Hamilton County Water & Wastewater Treatment Authority (WWTA)
Signal Mountain Sewage Treatment Plant (STP)***

Dear Mr. Wells:

In response to the letter of March 20, 2008, issuing an Order and Assessment by Commissioner James H. Fyke on behalf of the Tennessee Department of Environment and Conservation (TDEC) please find enclosed the list of connections the Hamilton County Water & Wastewater Treatment Authority (WWTA) approved prior to June 11, 2007 moratorium on any additional connections to the Signal Mountain System.

If you have any questions or need additional information, please contact our office at (423) 209-7842.

Sincerely,

Cleveland T. Grimes
Executive Director
