Dear Mr. Sanders:

The Division of Water Resources (division) acknowledges receipt of a certified Notice of Termination on August 8, 2022. This form was submitted according to Section 9.1.1 of the General NPDES Permit for Discharges of Storm Water Associated with Construction Activities (TNR100000), which requires the operator to submit written certification that a site, or portion of a site, has been finally stabilized and all storm water discharges associated from the construction activities that were authorized are eliminated.

As of the date of this email correspondence, the coverage for this project is considered "inactive".

Thank you.
