Addendum to Construction Permit Application Submitted on August 8, 2022

Dear Mr. Forte

As an addendum to the construction permit application submitted on August 8, 2022 for this facility, we would like to add the following statement:

Both mobile fly ash transloaders planned for this location shall not operate for more than twelve consecutive months without being moved in order to maintain their classification as "nonroad engines."

Please contact me at (470) 470-599-3836 or by email at mark.cummings@ecomaterial.com if you have any questions.

Sincerely,

Mark Cummings
Sr. Environmental Manager
