- Adient US LLC has applied to the Tennessee Department of Environment & Conservation, Division of Air Pollution Control (Division identification number 28-0076/980244) for approval to expand its polyurethane foam manufacturing process at the facility in Pulaski, Giles County, Tennessee. Adient US LLC proposes to increase production of the three polyurethane foam production lines. The project is subject to review under the State rule for Prevention of Significant Deterioration of Air Quality (PSD), Paragraph 1200-03-09-.01(4) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period.
