Emission Source Reference No. 59-0174-01/Permit No. 980073

Dear Mr. Rynearson:

Your construction permit application dated January 25, 2022, for a solvent based surface coating spray booth was received on January 25, 2022. Confirmation of a site address change was received on February 22, 2022. Additional signed application forms were received on April 25, 2022, and a construction application fee of \$100.00 was received June 14, 2022. A determination has been made that the application is complete and the Division will proceed with the processing of your construction permit application. Please be advised that construction or modification of the source cannot begin until you are in receipt of the issued construction/modification permit.

If you have any questions concerning this correspondence, please contact Mr. Joshua Rhoads at (615) 532-0547 or Joshua.Rhoads@tn.gov. Your Facility ID is **59-0174**, please reference this number in any further correspondence with the Division.

Sincerely,

James P. Johnston, P.E.
