Dear Mr. Collins:

Your construction permit application dated January 12, 2022 for silicon grinding was received on January 13, 2022, with additional information received on February 1, 2022. A determination has been made that the application is complete, and the Division will proceed with the processing of your construction permit application. Please be advised that construction or modification of the source cannot begin until you are in receipt of the issued construction/modification permit.

If you have any questions concerning this correspondence, please contact Derek Briggs at 615-532-0550 or Derek.Briggs@tn.gov. Your Facility ID is **06-0282**, please reference this number in any further correspondence with the Division.

Sincerely,

James P. Johnston, P.E.  
Deputy Director  
Permitting & Regulatory Development
