Good afternoon, Joshua,

When the original permit was obtained by Ken Wood, we were located at 899 industrial Drive. In 2014 we relocated the operations down the street to 841 Industrial drive.

Hope this helps.

[EXTERNAL]  
Good Morning Mr. Ryneearson,

My name is Joshua Rhoads and I am the permit writer assigned to your insignificant activity request.

I just left you a voicemail regarding the application submitted on January 25, 2022. While reviewing the application I noticed that the site address (841 Industrial Drive) did not match the address on the existing permit (899 Industrial Drive). It appears these are two separated buildings. Could you provide some clarity on the physical address of the permitted spray booths and the new powder coating line?

You may respond to this email or reach me by phone at (615) 532-0547.

Thank you,  
Joshua Rhoads
