RE: Permit-By-Rule, Solid Waste Processing Facility, Notice of Deficiency  
ERC- Research, Development & Demonstration Facility – SWP710001586

Dear Mr. Warbis:

On March 10, 2022, the Division of Solid Waste Management (DSWM) received Permit-By-Rule Notification packet submitted by House Waste Solutions LLC on behalf of EKAMOR Resource Corporation. This notification is for the ERC – Research, Development & Demonstration Facility located in Cookeville, Tennessee.

In accordance with the Regulations Governing Solid Waste Processing and Disposal in Tennessee, Rule Chapter 0400-11-01, the permit application for the modification of the facility's permit described above has been reviewed for compliance with these rules. Below is a list of deficiencies for the above-referenced permit application. Review of the referenced permit application will be halted until these deficiencies are addressed.

1. Provide detail of the actual waste storage capacity and waste flow within the facility. Please note in your revised submittal that all roll off containers need to be included in the storage capacity calculation.
2. Provide the cost for the handling and disposal of waste based on the facility's storage capacity to include the following items:
  - a. Mobilization and staff
  - b. Transportation costs
  - c. Disposal cost per ton of waste at a nearby disposal facility

If you have questions concerning this letter, please feel free to contact me by email at [Nickolaus.Lytle@tn.gov](mailto:Nickolaus.Lytle@tn.gov) or call 615-854-4581.

Sincerely,

A handwritten signature in dark ink, appearing to read "Nickolaus Lytle", is written over a light gray circular stamp that contains the text "NICKOLAUS LYTLE".
