RE: Final Decision to Transfer Solid Waste Disposal Permit
RLF Green Duck Class II Landfill – IDL 60-0017

Dear Mr. Patsch:

The Tennessee Department of Environment and Conservation is hereby issuing the enclosed permit to you as a change of ownership for construction and operation of the referenced disposal facility. A finalized public notice of the Final Permit Decision is also enclosed. This action reflects a change of ownership from the previous owner Green South, LLC. The facility name change to Green Duck Class II Landfill is also acknowledged.

Please be aware that, before the permit can become effective, you must contact O. J. Wingfield of the TDEC Financial Assurance Group at (615) 532-0877 for assistance or for questions regarding financial assurance.

A copy of the notice has been sent to the Mayor of Columbia, requesting that it be posted in City Hall, and to the Maury County Mayor, requesting that it be posted in the Maury County Courthouse. The notice will also be distributed to the persons on a request list maintained by the DSWM.

I appreciate your interest in complying with state statutes and look forward to working with you again. If you have any questions, please contact Paul Evan Davis at (615) 532-0072 or by email: paul.evan.davis@tn.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Apple", is written above the printed name.
