

City of Chattanooga
Sanitary Sewer Overflow (SSO) Observation Report
Date:

[illegible]

NOTE 1 = Time Notified = the time at which a citizen called and reported an overflow OR the time at which an alarm was first received at a pump station indicating a problem which later led to an SSO

NOTE 2 = Time Crew Responded = time crew arrived at the overflow site Or time a person arrived at the pump station to check.

NOTE 3 = Comments= List in this column the time that the SSO started, if it is related to a pump station problem.
