Dear Mr. Potter,

Since the Division had to extend the permit timeline due to communication about Source 02

compliance, I would like to request an email from the facility to [Air.Pollution.Control@tn.gov](mailto:Air.Pollution.Control@tn.gov) (or you can just reply to this email), stating that the facility would waive the refund of the construction permit fees.

Normally we would refund fees if the Division would miss the deadline, but in this case we were gathering information about Source 02 compliance. Let me know if you have any questions.

Sincerely,
