Dear Mr. Fritsch:

Your construction permit application for modification of a glycol manufacturing operation was received on August 13, 2021. A determination has been made that the application is complete and the Division will proceed with the processing of your construction permit application. Please be advised that construction or modification of the source cannot begin until you are in receipt of the issued construction/modification permit.

If you have any questions concerning this correspondence, please contact Mr. Travis Blake at (615) 532-0617 or via e-mail at [travis.blake@tn.gov](mailto:travis.blake@tn.gov). Your Facility ID is **82-0003**, please reference this number in any further correspondence with the Division.

Sincerely,

James P. Johnston, P.E.  
Deputy Director  
Permitting & Regulatory Development
