The applicant is Tutco Inc. with a mailing address of 500 Gould Drive, Cookeville, TN 38506. They seek to obtain an air contaminant permit (Division identification number 71-0190-01/55446) for modification of an existing Surface Coating Operation at the same address. This existing operation is for the lubrication of heater plates, terminal plates, mounting brackets, wire frames, wire supports, and other steel strips. There is no pollution control equipment. The requested modification is for increasing the allowable volatile organic compound (VOC) limit. There would be no physical construction. Regulated air contaminants emitted by this source would increase. Mr. M. Reynolds is the assigned Division person.

For the Putnam County "Cookeville Herald-Citizen"-publish once on or before Thursday, May 2, 2002.
