Dear Mr. Ladd:

We received your permit application for construction of the above referenced source on February 7, 2011. Subsequently, we examined your submittal for completeness and determined that it is incomplete for the following reason(s):

The responsible official for an air contaminant source is required by Rule 1200-03-26-.02 of the Tennessee Air Pollution Control Regulations to pay a construction permit application filing/processing fee. Based on the information provided in your application(s), the fee for your submittal is one hundred (\$100.00) dollars. Please pay your fee by check to the Division of Air Pollution Control, 9th Floor L & C Annex, 401 Church Street, Nashville, TN 37243-1531.

To expedite the processing of your permit application, please submit the requested permit application filing/processing fee as soon as possible, but not later than 180 calendar days from the date you receive this incomplete application notice. If you have questions, please contact Ms. Hymelia Craig at (615) 532-0575.
