PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554. Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298. **FIRST APPLICANT:** The applicant is Transglobal Oil Co. dba Bread Box Food Stores, Inc., with a mailing address of 10904 McBride Lane, Knoxville, TN 37932. They seek to obtain an air contaminant permit (Division identification number: 01-0207-01/64318) for construction of a Gasoline Dispensing Facility located at 601 Edgemoor Road, Powell, TN 37849. This proposed operation would consist of two gasoline storage tanks and associated gasoline dispensing equipment. Stage I gasoline vapor recovery would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. Hymella Craig is the assigned Division person. **SECOND APPLICANT:** The applicant is Rogers Group, Inc. - Oak Ridge Quarry with a mailing address of P.O. Box 25250, Nashville, TN 37202-5250. They seek to obtain an air contaminant permit (Division identification number 01-0010-01/64364) for modification of an existing Rock Crushing Operation located at 250 Union Valley Road, Oak Ridge, TN 37830. This existing operation consists of crushers, conveyors, screens, and associated equipment used to produce crushed limestone aggregate. The requested modification is to increase production, and to add a screen, and five conveyors. Wet suppression is used for pollution control. There would be physical construction. Regulated air contaminants are emitted by this source. Ms. Hymella Craig is the assigned Division person.
