October 20, 2021

- Air Pollution Control Construction Permit Application for the following facility: The applicant is Barton Malow Company—dba Ultium Cells / Nightsky with a mailing address of 301 Donald F Ephlin Parkway, Spring Hill, TN 37174. The applicant seeks to obtain an air contaminant permit (Division identification number: (60-0361 and 079446)) for the construction of a Portable Rock Crushing and Screening Operation at the same address (mailing address). See the link to the attached document for additional details of this construction permit application and for information for those wishing to express comments. [Public Notice Link](#)

October 19, 2021

- Yamaha Jet Boat Manufacturing USA, Inc. has applied to the Tennessee Department of Environment and Conservation, Division of Air Pollution Control for renewal of their major source (Title V) operating permit subject to the provisions of Tennessee Air Pollution Control Regulations 1200-03-09-.02(11) (Title V Regulations). A major source operating permit is required by both the Federal Clean Air Act and Tennessee's air pollution control regulations. However, it should be noted that this facility has a current major source operating permit. [Pulic Notice Document](#)
