Re: Construction Permit Application
Maymead Materials, Inc.
720 Prison Camp Road, Mountain City, TN 37683
Emission Source Reference No. 46-0078-01/Permit No. 981888

Dear Mr. Roark:

Your construction permit application dated October 25, 2023, for the rock crushing and sizing operation was received on October 25, 2023. Please be advised that construction or modification of the source cannot begin until you are in receipt of the issued construction/modification permit. A determination has been made that the application is incomplete for the following reason(s):

Additional information is needed as follows:

1. Provide an updated equipment list to include capacity and date of manufacturer of equipment. Show equipment with ID numbers on flow diagram.

The responsible official for an air contaminant source is required by paragraph 1200-03-26-.02(5) of the Tennessee Air Pollution Control Regulations (TAPCR) to pay a construction permit application filing/processing fee. Based on the information provided in your application, the fee for your submittal is fifty dollars ([extract_itex]50.00]). Please pay your fee by check payable to the Tennessee Division of Air Pollution Control and send to the following:

Tennessee Department of Environment and Conservation
Division of Air Pollution Control
William R. Snodgrass Tennessee Tower, 15th Floor
312 Rosa L. Parks Avenue
Nashville, TN 37243

The fee and a copy of this letter must be submitted within 60 days of receipt of this letter so that the Division can process your application. If additional deficiencies are later identified, you will be able to correct them within the remainder of the 180-day period that begins on the date you received this letter, as provided in subparagraph 1200-03-26-.02(4)(d) of TAPCR.

Please submit the additional information to the Technical Secretary at the address above or email the information to Air.Pollution.Control@TN.gov in Adobe pdf format within 60 days of receipt of this letter so that the Division can review the revised application for completeness. If additional deficiencies are identified, you will be able to correct them within the remainder of the 180-day period that begins on the date you received this letter, as provided in subparagraph 1200-3-26-.02(4)(d) of TAPCR.

It is the express intent of the Tennessee Air Pollution Control Board that the 180-day permit application correction period is not to be construed by an applicant as permission to construct or modify a source without the permit required by Division Rules. If you fail to submit a complete application within this 180-day time period, all construction permits shall be denied, and any fees forfeited.

If you have any questions concerning this correspondence, please contact Ms Tracy Kefauver at 615-532-0536 or Tracy.Kefauver@tn.gov. Your Facility ID is **46-0078**, please reference this number in any further correspondence with the Division.

Sincerely,

A handwritten signature in blue ink, appearing to read "James P. Johnston".

James P. Johnston, P.E.
Deputy Director
Permitting & Regulatory Development
