Rogers Group
Attn: Mr. Medlock

Attached is the official pdf copy of your air quality permit the Lawrenceburg Quarry. You will not be sent a hard copy through the mail. Therefore, you should print this permit and post it at the source location. Also, retain any records required by this permit, at the source location. It is important that you read and understand the requirements specified in this permit especially regarding **Conditions G1, G3, G6, S1-1, and S1-5**. In the event that this facility has a change of ownership, please provide the Division with the new owner's contact information. Please respond with "received" to this email so we know it was received accordingly.

For more information about your facility please visit the APC Dataviewer link:
https://dataviewers.tdec.tn.gov/pls/enf_reports/f?p=19031:34001
Search by facility name and then click on the permit number that interests you.

If there are any other inquiries concerning this correspondence, feel free to contact Jimmie Horton at (615) 532-0533 or via email at jimmie.horton@tn.gov.
