Subject: RE: 65-0028 | 979102 | East Tennessee Natural Gas, LLC dba Station 3110 | draft construction permit for your review

Good morning Hernan,

I have a few comments and assume these omissions may be because this is a Word version:

Condition S1-4 (A) needs a date for the agreement letter.

Condition F2-3 does not mention the condition for the oil change requirement in the first two sentences.

Condition F2-4 does not mention which condition continuous compliance must be demonstrated by in the first sentence and in the chart.

Have a good afternoon,
