Good afternoon Younes,

We had one item slip by us that was brought up in a follow up review onsite.

The Facility (Permittee): is listed as Barton Malow Company – dba Ultium Cells / Nightsky, and the concern was brought up that Barton Malow Company is not Doing Business As (dba), the site is named Ultium Cells / Nightsky.

Is there anything that can be done to remove the “dba” between Barton Malow and Ultium?

Permit Number: 079446

Facility (Permittee): Barton Malow Company – dba Ultium Cells / Nightsky

Thank you,

Craig Fenton
