Re: Construction Permit Application
Denso Manufacturing Athens Tennessee, Inc.
2400 Denso Drive, Athens, TN 37303
Emission Source Reference No. 54-0158-00/Permit No. 981911

Dear Mr. Franks:

Your construction permit application (undated and unsigned) for a new zonal ECU (Electronic Control Unit) cleanroom process which will consist of nine sealant, service, and sealer coat lines was received by the Division on November 1, 2023. The construction permit application fee of \$500.00 was received by the Division on November 21, 2023. A dated and signed application was received on November 28, 2023. A determination has been made that the application is complete, and the Division will proceed with the processing of your construction permit application. Please be advised that construction or modification of the source cannot begin until you are in receipt of the issued construction/ modification permit.

If you have any questions concerning this correspondence, please contact Mrs. Sarosh Kaiser at (615) 532-0585 or sarosh.kaiser@tn.gov. Your Facility ID is **54-0158**, please reference this number in any further correspondence with the Division.

Sincerely,

James P. Johnston, P.E.
Deputy Director
Permitting & Regulatory Development
