Subject: Colgate -Palmolive Company, 32-0238, permit registry notification

Pursuant to Tennessee Code Annotated 4-29-120 (Tennessee Governmental Entity Review Law), the Division of Air Pollution Control is hereby providing notice at least 15 days in advance of a permit issuance or denial, as required by statute, for construction of a weighing tote dump station (Division log 78408, source 32-0238-08) at the following location:

Colgate Palmolive Company
200 Centennial Court
Morristown, TN 37813

A Public Notice was placed in the legal section of the Hamblen County "Citizen Tribune" on September 3, 2020. Interested parties were invited to express their comments and concerns in writing within 30 days of the date of this notice. Permits will only be issued when all applicable requirements, regulations, and procedures are met. The Division will consider all relevant comments received prior to permit issuance or denial.
