Incinerator Kerner J46 Closure

53

Ms. Craig,

Please close the permit for the Incinerator Kerner J46, Emission Source 07-0027-02. It was dismantled in June 1998 and not in use since then.

The organization will contact your department if a new incinerator permit is needed in the future.

Please let me know if there is any other information you may need about this.

Sincerely,
