PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554. Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298. The applicant is East Tennessee Natural Gas - Station 3110 with a mailing address of P.O. Box 1642, Houston, TX 77251-1642. They seek to obtain an air contaminant permit (Division identification number: 65-0028-01/63779) for modification of an existing Turbine Engine located at 142 Clayton Howard Road, Wartburg, TN 37887. This existing operation consists of three natural gas-fired turbines used to generate gas flow through pipes. The modification is to update emission limits based on manufacturer's data. There would be no physical construction. Regulated air contaminants are emitted by this source. Ms. Olga Jacobsen is the assigned Division person.
