Re: American Tower Corporation – Operation Permit Application(s) Ford TN1, TN #308938 and Paw Paw, TN #308881

TO TIVED

Travis,

It has come to my attention, after speaking with Martie Carpenter, the American Tower application(s) for the permit to operate is incomplete for Paw Paw/308881 (53-0180/965493P) and Ford TN1/308938 (78-0229/965492P). The Permit to Construct was submitted for both sites indicating the startup date for the generator but application APC20 was not submitted along with the notice. I have enclosed APC20 for each site mentioned and a copy of the submitted permit to construct.

If you have any questions regarding the enclosed please contact Scot Sandefur at 602-284-0280 or at scot.sandefur@americantower.com.

Regards,

American Tower Corporation
