Re: Construction Permit Application
260 Dennis Street, Athens, TN 37303
Emission Source Reference Nos. 54-0047-14 and 16/Log No. 81278

Dear Mr. Sparks:

Your construction permit application dated March 27, 2023, for the modification of two electroplating lines (emission sources 54-0047-14 and 16), was received on March 28, 2023. The proposed modification would replace the sulfuric acid used in four acid dip tanks with hydrochloric acid. Your permit application filing/processing fee was received on May 4, 2023. A determination has been made that the application is complete and the Division will proceed with the processing of your construction permit application. Please be advised that construction or modification of the source cannot begin until you are in receipt of the issued construction/modification permit.

If you have any questions concerning this correspondence, please contact Mr. Joshua Rhoads at (615) 532-0547 or Joshua.Rhoads@tn.gov. Your Facility ID is **54-0047**, please reference this number in any further correspondence with the Division.

Sincerely,

James P. Johnston, P.E.
Deputy Director
Permitting & Regulatory Development
