Re: LaFollette Medical Center Fee Emissions Inventory  
Incinerator Kerner J46 Closure  
TDEC Emission Source No. 07-0027

Ms. Craig,

Please remove the incinerator from the Fee Emissions Inventory. This was dismantled in June 1998 and not in use since then.

The organization will contact your department if an incinerator is needed again in the future.

Please let me know if there is any other information you may need about this.

Sincerely,

Charles E. Johnson
