IDL 03-0212

Dear Mr. Sohr:

On June 26, 2012, personnel of the Tennessee Department of Environment and Conservation met with you to discuss closure of the south and east slopes of your solid waste disposal facility.

Based on those discussions, you have agreed to submit, for our approval, a proposal for closure of the south and east slopes of your facility by close of business on July 11, 2012. The proposal should also include a schedule of implementation.

If you have any questions concerning this correspondence, please feel free to give me a call at 615-532-0818.

Sincerely,

Glen Pugh
