Re: Jurisdictional Waters Report
 Henderson Road Pond
 Pigeon Forge, Tennessee

Dear Mr. Fortune:

According to my review of the information presented in the *Jurisdictional Waters Report for Henderson Road Pond, Prepared by GEO Services, LLC*, TDEC agrees with the finding that there is one hydraulically isolated pond within the area investigated and is not considered to be Waters of the State.

Changes in long-term weather patterns, as well as physical and geological changes within a watershed, can cause the determination to change. Therefore, the Division of Water Resources reserves the right to change this classification if warranted.

If you have any questions, please contact me at 865-606-0678 or by e-mail at Leigh.Yates@tn.gov.

Sincerely,
