Re: Pretreatment Program Modification Final Approval
Centerville Pretreatment Program
NPDES Permit No. TN0024937
Hickman County

Dear Mayor Jacobs:

The Division of Water Resources would like to thank you for your pretreatment coordinator's submittal, received on April 5, 2024, of the required public notice by Centerville for modifications to the Sewer Use Ordinance. The modifications included updating plant protection criteria and local limits to those approved by the Division on February 22, 2024. The public notification completes all the required activities for these modifications. Therefore, final approval is granted. Should Centerville, at any time in the future, begin experiencing problems at the wastewater treatment plant, these limits should be re-evaluated.

If you have any questions, please do not hesitate to contact or Gordon Holcomb at 615-339-9956 Gordon.Holcomb@tn.gov or Samantha O'Neil at 615-961-4440 Samantha.ONeil@tn.gov.

Sincerely,

Jessica Murphy, Manager
Compliance and Enforcement Unit
