Subject: **NPDES Permit No. TN0081868**  
**Metropolitan Knoxville Airport Authority**  
**Alcoa, Blount County, Tennessee**

Dear Mr. White:

This letter is to inform you the Division of Water Resources is terminating the above referenced permit effective as of the date of this letter. As stated in your correspondence, operation at the facility located at 2055 Alcoa Highway does not have any dry-weather discharges to the waters of state. If you should decide to discharge again under an individual permit, you must reapply for an NPDES permit at least 180 days prior to any proposed discharge.

If you have questions, please contact the Knoxville Environmental Field Office at 1-888-891-TDEC; or, at this office, please contact me at (615) 532-0670 or by E-mail at [Vojin.Janjic@tn.gov](mailto:Vojin.Janjic@tn.gov).

Sincerely,

Vojin Janjic  
Manager, Water-Based Systems
