Re: Transmittal of Preliminary Engineering Report
Town of Centerville, Hickman County
Wastewater Project Number 23.0431
Project: Centerville Defeated Creek Basin Preliminary Engineering Report

Receipt is acknowledged on August 10, 2023, of the above-referenced preliminary engineering report. The project is associated with permit TN0024937 and consists of sewer rehabilitation plans for the Defeated Creek Drainage Basin.

As outlined in a previous investigation and assessment of the basin, this work will be the phase two portion of the gravity sewer line rehabilitation

The Engineering Services Unit has no objection to the chosen alternative. The facility should upload this memo and approved files to their ARP grant file.

To expedite matters the engineer should reference the assigned ARP number with future submittals for this project. If we may be of any assistance, please feel free to contact Tim Hill, PE at 865-365-9535 or timothy.hill@tn.gov
